State of the Union Address 2024: Key Points

The President's State of the Union address highlighted various key points, including:

Economy and Jobs

• The President emphasized that the economy is "the envy of the world" with 15 million new jobs created in three years.
• Unemployment is at a 50-year low, and a record 16 million Americans are starting small businesses.
• Historic job growth and small-business growth for Black, Hispanic, and Asian Americans.
• 800,000 new manufacturing jobs in America and counting.

Education and Student Loans

• The President wants to make college more affordable by increasing Pell Grants for working- and middle-class families.
• Record investments in HBCUs and minority-serving institutions, including Hispanic institutions.
• Fixed two student loan programs to reduce the burden of student debt for nearly 4 million Americans.
• Wants to give public school teachers a raise.

Healthcare and Prescription Drugs

• Americans pay more for prescription drugs than anywhere in the world, which the President wants to change.
• Capped the cost of insulin at $35 a month for every American who needs it.
• Gave Medicare the power to negotiate lower prices on prescription drugs, saving seniors and taxpayers money.
• Protected and strengthened the Affordable Care Act, and wants to make tax credits for working families permanent.

Reproductive Freedom and Women's Rights

• The President reiterated his support for reproductive freedom and the right to choose.
• Wants to restore Roe v. Wade as the law of the land.
• Guarantee the right to IVF nationwide.

Foreign Policy and Humanitarian Aid

• The President emphasized the need for humanitarian assistance in Gaza.
• Directed the U.S. military to lead an emergency mission to establish a temporary pier in the Mediterranean to receive large shipments of aid.
• Called on Israel to allow more aid into Gaza and protect humanitarian workers.

Immigration and Border Security

• The President wants to tackle the backlog of 2 million immigration cases.
• Wants to hire 1,500 more security agents and officers, 100 more immigration judges, and 4,300 more asylum officers.
• Proposed a bipartisan bill to bring order to the border and save lives.

Taxes and Fairness

• The President wants to make the wealthy and big corporations pay their fair share.
• Proposed raising the corporate minimum tax to at least 21%.
• Wants to end tax breaks for Big Pharma, Big Oil, private jets, and massive executive pay.
